Mission + Vision

CHIP partners with the Indianapolis community to advance a shared vision to end homelessness by inspiring collective action and advocating for permanent housing solutions.

We envision an Indianapolis where everyone has a safe, stable, and affordable home and is embraced by compassionate care and an inclusive community.

Program Highlights

Street Reach Indy

Street Reach Indy provides financial assistance to individuals experiencing homelessness to overcome barriers to permanent housing. It is supported 100% through the sponsorship of Indianapolis businesses, organizations, and individuals.

The goal is simple: to reduce homelessness in Indianapolis by helping individuals experiencing homelessness find housing solutions in the most meaningful ways possible.

Without Street Reach Indy, no source of flexible funding would exist to address the unique situations and barriers faced by those experiencing homelessness locally. Street Reach Indy is able to quickly assist individuals.

Handbook of Help

The Handbook of Help is a listing of services available to individuals in Indianapolis who may be homeless or at risk of homelessness. CHIP annually verifies and updates information in the Handbook of Help.

Each year, CHIP distributes thousands of printed copies in the community, as well as hosts the Handbook of Help online.

The Handbook of Help is currently available in three Languages- English, Spanish, and Haitian Creole. This helps to ensure that the HOH is more accessible than ever.
